ABOUT THIS YEAR'S

**SUMMER
CAMPS?**

The
MISSION
of MCA Summer Camps is...

...to provide a safe,
exciting, and enriching
experience for students,
rooted in Christian values

LIABILITY CONSENT

I understand that all Medina Christian Academy faculty and staff members put the safety of each child first and foremost in all activities each day. I also understand that accidents occur and that MCA does not assume any responsibility in case of injury to my child whether on campus or off campus. For all Summer at MCA camp sessions, I hereby waive all claims and I release and hold harmless Medina Christian Academy, its faculty and staff, as well as parents of students or others assisting with these activities. This release of liability also applies in the event that my child needs to be transported by faculty, staff members or responsible parents to and from campus.

EMERGENCY CONSENT

In case of an emergency, when unable to reach parent(s) or the emergency contact given, the faculty and staff of Summer at MCA have my permission to take my child to the doctor, dentist, or emergency room when necessary. I understand that this faculty or staff member will not be liable if an accident should occur while transporting my child off campus. When I cannot be reached, I also authorize the faculty and staff of Summer at MCA to consent to any medical procedure or treatment deemed appropriate by the attending medical provider(s).
